

THE MOTION SONG

LYRICS

Fly fly fly, like an eagle
Crawl crawl crawl, like an ant
Hop hop hop, like a rabbit
Jump, like a frog

I can walk, spin, move and dance
Like a human
I can walk, spin, move and dance
Like a human

Run run run, like a cheetah
Swim swim swim, like a shark
Slide slide slide, like a penguin
Gallup, like a horse

I can walk, spin, move and dance
Like a human
I can walk, spin, move and dance
Like a human

Fly fly fly, like a pigeon
Walk sideways, like a crab
Jump jump jump, like a kangaroo
Slither, like a snake

I can walk, spin, move and dance
Like a human
I can walk, spin, move and dance
Like a human
